

REFLEX[®]

EASY HANDLING

The design and materials of the Re-Flex[®] give it exceptional durability. The first thing you'll notice however, is the weight.

The Re-Flex[®] is the lightest bulkhead in the industry... period!

A STANDARD HINGED RE-FLEX[®] WITH TWO LOGISTICS STRAPS

Choosing the right bulkhead shouldn't be a compromise.

- A 3" closed-cell core.
- Integrated ArmorPly[®] flexible impact liner.
- Heat-welded seams that seal out moisture and bacteria.
- High visibility orange.

RE-FLEXIBILITY
