

# REFLEX<sup>®</sup>-Z

## Z-CONFIGURATION BULKHEAD

- Universal offset panel can be used with virtually any existing portable bulkhead.
- Accommodates an odd number of pallets efficiently.
- Can be stored when not in use.
- Much lighter and easier to maneuver than competitive offerings.
- More economical than three piece design.

**INSULATED BULKHEADS**

**UNIVERSAL OFFSET PANEL • HIGH VISIBILITY ORANGE • ZERO FASTENERS IN THE IMPACT ZONE**
