

INSULATED BULKHEADS

TOUGHBOY

THE ORIGINAL INSULATED BULKHEAD

- The Toughboy is the only rigid, load bearing bulkhead available.
- Available with or without walk-thru door. Door can be located on curbside, roadside, or center of the bulkhead.
- Includes spring loaded locking pins to secure bulkhead into logistic track.
- Ribbed, Armorlite® Composite, surface for extra air circulation.
- Also available in a track mounted design.

IDEAL FOR GROCERY DISTRIBUTION • REDUCES DAMAGE & LOSS • INDUSTRY PROVEN
